# Preventing Bullying & Harassment

## Assembly Goal

Increase the awareness of what harassment is and teach positive responses to bullying

**STOP, THINK, REPORT**

**"1 out of 6 American students say they were seriously traumatized by peers in school."**  
- National Center for Educational Statistics.

**IGNORING BULLYING & HARASSMENT MAY CAUSE:**

- **VIOLENCE**
- **ABSENTEEISM**
- **DEPRESSION**
- **DRUG ABUSE**
- **DELINQUENCY**
- **SUICIDE**

**"10% of students drop out of school because of repeated bullying."**  
- National School Safety Center

It is a fact that bullying can be significantly reduced in schools if teachers, support staff, parents, and most importantly, students join together to take action against this form of harassment.
